

Brainstorm & idea prioritization

Al Based Localization and Classification Of Skin Disease With Erythema

(L) 10 minutes to prepare 1 hour to collaborate

2 4 people

Define your problem statement ₫ 5 minutes

> To localize the disease and helps to avoid spreading to others

Key rules of brainstorming To run an smooth and productive session Stay in topic. Encourage wild ideas Defer judgment. Listen to others.

Go for volume.

If possible, be visual.

Brainstorm Ideas of each team member
